

Hello, my name is Santana Siemer. My husband and I have been with Operation Creekside, Inc. for 9 years. Our kids have grown up helping pack care packages for deployed troops. They have met the veterans who have benefitted from the retreats we have organized. They have seen the vehicles that were donated so that the veterans can take care of their families. What they never thought about was all of the expenses.

A lot of operational costs go into mailing out care packs, organizing veterans retreats, and fulfilling the needs of veterans with PTSD. That's why we urgently need your help.

### Join Campaign Operation Creekside 500

**We are looking for 50 businesses to commit to a yearly, tax deductible, donation of \$500, for 3 years.**

Our mission is to continue helping our veterans and active servicemen and women, but we need money to operate. Please help us achieve this goal by making your first donation today. A donor envelope is enclosed for your convenience.

Thank you in advance for your generosity.  
With Kind Regards,

Santina Siemer, Board Member
